

Information Technology (IT) Director Position Available

Title: Information Technology (IT) Director

Class: Exempt / Full Time

Hours: 40+ hours/week

Description:

Twin City Ambulance is a family owned and operated business that has served Western New York for more than 60 years. Our team is comprised of more than 250 professionals who provide around-the-clock emergency medical services in the Tonawandas, Lockport, the Towns of Amherst, Clarence, Newstead, Wheatfield and Grand Island, and the Villages of Kenmore, Akron, and Williamsville. We also provide emergency medical standby service to HSBC Arena and the Buffalo Sabres, Canisius College, Shea's Performing Arts Center, Artpark, Coca-Cola Park, and several other Western New York venues.

We are looking for an IT Director to join our team. The successful candidate will oversee the day-to-day information technology functions of our company. Responsibilities will include: network, systems, and database management; creation and implementation of IT systems and policies; strategic planning for IT development; oversight of all technology operations; selection and implementation of technology to support and advance internal operations; design and customization of technological systems to facilitate and improve operational and business efficiency; and provision of technical support and education to team members.

If you are a highly motivated professional looking for an outstanding opportunity with a growing company, we encourage you to apply.
