 - Clinical Performance
 - Agency / Regional Leadership
 - Training and Education
 - Operations
 - Innovation and Teamwork
 - Other: If your agency feels there is a different reason, we gave you an "other" option to create a different category!

The nominations will remain open during EMS Week until we have met our maximum number, so we encourage agencies to submit early, but remember, you can only submit once.

Nominations should only take a few minutes to submit and can be done from a computer or smart phone device.

Thank you to every NYS EMS Provider, we really appreciate all the work you are doing every day and especially during these very challenging times.

Happy EMS Week!
