

Post Traumatic Stress

Twin City Ambulance

The Post Traumatic Stress (PTS) effects of trauma on First Responders are normal reactions to abnormal work circumstances. This discussion will help educate first responders, military, and/or their spouses, on the truth of how trauma attacks our minds, hearts, personality, and family.

**OPEN TO ALL
PROVIDERS, ALL
AGENCIES, ALL
LEVELS!**

Date: Monday, September 29, 2025

6:00pm – 8:00pm

Location: Twin City Ambulance
Training Center
555 Commerce Dr.
Amherst, NY 14228
