State EMS Education Pilot Programs

Increasing Recruitment and Retention through State EMS Pilot Programs

Come and join an exciting information session presented by the NYS Division of State EMS! We're exploring the recently revised education pilot programs designed to transform recruitment and retention for Emergency Medical Services throughout New York State. Whether you're an agency leader, a sponsorship administrator, or just someone passionate about EMS, join us to learn more about how these programs could potentially benefit you. Learn how these innovative programs can boost recruitment and retention, enhance course sponsorship's enrollment, and spark interest among current providers and the public. Q&A will be available after the presentation to see how these initiatives could potentially benefit your agency and community.
