Fellow EMS providers,

Hello, I hope this finds you well. I am writing you today about some rumors that have been circulating about St. Mary's Hospital closing CT and MRI capabilities. I am happy to inform you that this is not the case and the Mount St. Mary's Hospital still proudly offers CT and MRI capabilities to our patients.

Should you have questions about the services offered at Mount St. Mary's or within the Catholic Health System please feel free to reach out to our EMS Liaison team.

I personally can be reached at 716-330-8482 or via email at rorlowski@chsbuffalo.org

Thank you for all that you do!

Rob Orlowski
