

ADVANCED CARDIAC RESUSCITATION IMPLEMENTATION PROGRAM

JANUARY 30–31, 2024

Hosted by
Orchard Park Fire District EMS

Join Joe Powell, Chair of the ACR Advisory Board, to learn about the underlying science and practical application of Advanced Cardiac Resuscitation (ACR).

- **Unlearning Cardiac Arrest:** Learn the science and the “why” behind the Advanced Cardiac Resuscitation (ACR) cardiac survivability tools and hear how you can implement an ACR program in your community.
- **Behind the Science:** In addition to the “why,” it is important to discuss the “how” behind the ACR cardiac survivability tools and learn about their practical application.
- **Cardiac Arrest Simulation Lab:** Experience the ACR cardiac survivability tools at practical hands-on skill stations.
