

SEARCH & RESCUE FIELD MEDICINE SYMPOSIUM

MAY 2-5 2024

11th Annual FDNY Search & Rescue Field Medicine Symposium

The FDNY, in partnership with the FDNY Foundation, is proud to invite all first responders to the **11th Annual FDNY Search and Rescue Field Medicine Symposium (SRFM)**. FDNY SRFM is a conference that brings military, federal, state, and local medical responders together to share their experiences, best practices, and ideas. Each year, FDNY SRFM Symposium includes current hot topics, the latest medical technological updates, and recent case studies from around the world. FDNY SRFM Symposium takes place over four days, consisting of workshops, lectures, panel discussions, hands-on-skills scenarios, and a vendor showcase with the latest equipment and products.
